

KOMEN ATLANTA COMMUNITY PROFILE 2010

CLAYTON COUNTY

Susan G. Komen for the Cure Greater Atlanta Affiliate is the local resource for breast cancer screening, treatment, education and support. Through events, including the Race for the Cure, and contributions, the Affiliate raises funds to enable women to detect and survive breast cancer. The organization conducts a biennial Community Needs Assessment to discover the status of breast health, breast cancer and related services within the Affiliate's 10-county service area. Komen Atlanta's extensive grants program addresses those unmet needs and disparities by funding breast health programs in the community for the medically underserved.
